

## **“Removing Barriers to Education for Girls in Thulipokhari, Nepal”**

*a project of Soroptimist International of Truckee Meadows | Sierra Nevada Region, SIA*

Sponsorships of the Girl’s Scholarships Program includes funds to provide dormitory room and board plus school tuition and books and supplies for girl students, and support for the continued operation of the girls dormitory. A sponsorship of \$300 a year provides for one girl to attend school and secure her advanced educational degree which will allow her to work as a teacher, social worker, banker, business owner, or be employed by the government.

The Micro-Lending Program provides low-cost loans to the poorest of the villagers to purchase animals, animal husbandry, vital seeds to grow vegetables, agricultural equipment to assist, and loans to begin small women’s co-op business’ all of which creates the opportunity to generate income and help feed their families.

The cooperative effort between Soroptimists and our donors and the villagers of Thulipokhari continues to support the education, dormitory and lives of women and girls in this part of Nepal, but we still have a lot of work to do. Thank you for your generous help.
