Sale
- Dec. 28– DARK for Christmas

## SITM Meets...

### Thursdays at Noon

at the Atlantis Casino Resort Spa  
Second Floor Convention Center  
\$30 for lunch.

RSVP to [info@sitmnmv.org](mailto:info@sitmnmv.org) no later  
than noon on the Sunday before  
the Thursday meeting.

### Soroptimist Is:

a global volunteer organization  
that provides women and girls with  
access to the education and train-  
ing they need to achieve economic  
empowerment.

[www.sitmnmv.org](http://www.sitmnmv.org)

## With Gratitude for the Season, SITM's Projects and Our Members

As we enter the season for giving thanks, I want to especially thank Ana Nadimi and her husband David for the fantastic Persian Dinner they hosted for us on Saturday evening! The food was amazing and so delicious, the companionship was heartwarming and the wine was wonderful! For those volunteers who assisted Ana and for all who were able to attend, I know you enjoyed everything about this special evening. We also celebrated Dot Watt's birthday and my husband Dan's and my 45th wedding anniversary! So much to be thankful for!

Our club continues to grow with another new member joining us this month! Welcome Mary Ann Decker! I am so appreciative of the work done by our Membership Committee with their efforts to invite so many new members this year! It is just one more thing to be thankful for.

November brings us real fall weather with the "Fall Back" time adjustment to daylight savings time, leaves on the ground everywhere and likely some wind and rain in the days to come. We are fortunate to live in such a beautiful area that gives us stunning fall foliage colors and sunny "Indian Summer Days". I hope everyone is able to enjoy one of those sunny days by getting outdoors.

With the approach of Thanksgiving, let us remember to be forever grateful for our great nation and the generous people who step up to help others. We will be collecting socks for Project 150 to assist at-risk teens. Toiletries

*Ana Nadimi with husband David Meares, hosted a Persian Dinner.*

were collected last month for this project as well. Project 150 supports teens who may be homeless, in and out of foster care, or otherwise living in undesirable situations. Bring your sock donations to any meeting for the Hospitality Committee to collect.

Our last meeting in November will be filled with Soropti-Fun since there are five Thursdays in November. Plan to attend for surprises and some fun-filled activities.

Thank you everyone for your enthusiastic support for our club and our mission. Our success is entirely due to the commitment of our amazing membership as we support education for women and girls and work to make their dreams come true.

With incredible gratitude,  
President Kay

## Welcome Heather Altman

*New member Heather Altman, far right, was inducted at the November Business Meeting. At left, Membership Coordinator Doris Phelps conducted the ceremony. Next to Doris, center, is Heather's sponsor Bev Perkins. Heather is the Office Manager for Edward Jones Investments (Mae Anne Office).*

## Donate Socks for Project 150

In lieu of a member gift exchange during the holidays, the Community Involvement Committee is asking members to bring women and men's socks in November and December to donate to Project 150. Preferred are low-cut socks for women and men, or the longer athletic type socks for men.

Project 150 provides clothing, toiletries and other services to homeless, displaced and disadvantaged high school students.

Bring the socks to the Thursday meetings, or contact Coordinator Diana DeMatei to arrange pick up.

## Enjoy "12 Months of Flowers" in 2024

SITM is conducting a small fundraiser for members and friends wishing to purchase "12 Months of Flowers" for only \$40 from Sparks Florist. SITM keeps 25% of sales or \$10 for each card sold. The card purchaser/recipient receives a \$15 bouquet of flowers each month for 12 months to pick up at either Sparks or Reno stores. See Vicki Schultz or Wendi Dennis to purchase cards for holiday gift-giving, or for yourself.

## Christmas Wreath Fundraiser Now Underway

SITM has launched a fundraiser to purchase and sell Christmas Wreaths from Christmas Forest. Diana De Matei distributed flyers/order forms at the November Business Meeting and President Kay attached them to her Friday Digest report.

If you have family or friends who would be interested in this fundraiser, copy the PDF from Kay's message and email it to them. Or, print it out and hand it to them. Order forms can also be found on the SITM Website at [www.sitmnev.org](http://www.sitmnev.org) and attached to this newsletter.

Soroptimist International of Truckee Meadows is selling fresh Christmas wreaths and ornaments.

Order online at [www.ChristmasForest.com](http://www.ChristmasForest.com), or use the paper forms to mail in a check. **Make sure to indicate our Club Code, which is: SITM, at the bottom of the shopping cart page, so we get credit for the sale.**

SITM receives 10% of the proceeds at the end of the season.

## Holiday Social Fun, Costumes and Candy

*Hospitality Coordinator Dot Watts collecting candy in her Halloween bucket.*

Sweet treats were the order of the day at the Halloween Social on October 26. Members were asked to bring a small bag of candy with them, which were later used to fill small "Trick-or-Treat" bags distributed

*Eve Johnson and Jeanne Naccarato sharing a laugh.*

to each member later at the meeting. Of course, some members dressed in their best "witch impression" costumes, others donned crazy shirts, entire costumes and hats galore.

*A "disguised" Millie Mitchell.*

to participate in Soroptimist.

Hospitality Coordinator Dot Watts enlightened us with some little-known facts about Halloween candy, specifically that "once-a-year" treat, candy corn. Brach's began production of candy corn in 1920 and today produces roughly 30 million pounds of the candy corn each fall season, enough to circle the Earth five times. Total candy corn sales are expected to top \$88 million. (Just in case you were wondering ... about 19 candy corns amount to about 140 calories and 28 grams of sugar.)

Thanks to Dot and the Hospitality Committee for organizing this fun celebration of the holiday.

*Emphasizing the orange were Marilyn Pearson and Annette Friedlander.*

*Greeters at the door were Bev Perkins and Debbie Handke.*

During the course of the meeting, each member was asked to divulge

*Yes, that's Deb Thomas under that hat, with "Good Witch" Linda Walker.*

*Jo Ann Roberts and Patty Downs enjoying lunch.*

their favorite kind of candy and then explain why they joined, or continued

*Darlene DeLancey and Gayle Kmetovicz at the "witches table".*

Continued on page 4

Continued from page 3

## More Holiday Social Fun, Costumes and Candy

Director Holly Nash and Jeanne Naccarato went all out in costumes.

Liza Chapen with top hat and tie.

Doris Phelps displays one of the "Trick-or-treats" bags.

## Happy 45<sup>th</sup> Birthday SITM

SI/Truckee Meadows was chartered on October 23, 1978 with 22 members. At the October 26 meeting, we celebrated our 45<sup>th</sup> birthday with a special cake baked by the Atlantis. Pictured here is Charter Member Jo Ann Roberts. We have one other Charter Member, our Charter President Jaci Jones, who currently is a Life member.

*Charter Member Jo Ann Roberts with SITM's 45<sup>th</sup> Birthday Cake.*

## 48<sup>th</sup> Biennial Convention set for July 24-27 in Bellevue, Washington

The Last few years have been tough. We've battled a pandemic, changes in our lives, and more.

But as Soroptimists,  
**WE ARE RESILIENT**

Let's come together to elevate our unwavering Soroptimist spirit.

#SIAConv2024

**Member Feature****A Career in Medicine and Medical Education****by Pam Robinson**

Born in San Francisco, our new member, Susan Ervin, was raised in Reno. She graduated from Wooster High School when there was nothing between the school and the Reno Airport. After high school, she wanted a change, so she enrolled in the University of Utah in Salt Lake. After earning bachelor's and master's degrees in nursing, she worked at the University of Utah Medical Center for several years. It was an exciting time to be a nurse in the surgical intensive care unit as there were many technological advances. Kidney transplants were new and helped many patients who had been on dialysis for years. A lot of research was done at the University, and they developed and tested a heart pump for the left ventricle which helped many congestive heart failure patients.

While living in Utah, Susan also taught for a year at Westminster College. But Reno called her home, and she started teaching at UNR Orvis School of Nursing and served there for 40 years. Having taught both graduate and undergraduate students, she was often able to work with them through their bachelor's, master's, and doctoral programs. Susan loves seeing her former students in their current clinical settings. In addition to teaching, she also published several articles.

Her favorite subjects to teach were pathophysiology (study of how diseases or injuries affect the body's normal functions and structures) and pharmacology (the science of drugs and how they affect living systems). While teaching at UNR, Susan earned her PhD from UNLV.

Family has kept Susan very busy – she has three boys and five grandchildren (including three granddaughters), all of whom live nearby. She has a big heart and has five rescue dogs at home – Toby, a Pomeranian, Sierra, a Husky, Squish, a “mutt”, and two German Shepherds shared with her son who lives with her. Susan likes to crochet, walk, and scrapbook, and looks forward to traveling again soon. She'd love to visit Galapagos one of these days as well as St. Petersburg when the time is right. She retired from UNR at the same time as her friend and SITM sponsor, Deb Thomas, and they celebrated with a fun retirement party together. Susan has joined the Women's Scholarship and Awards Committee and the Scrapbook Committee and looks forward to the next crochet social!

*All five rescue dogs with Susan.*

*All five of Susan's grandkids in the same place.*

## An Unforgettable Persian Diner with Family and Friends

by Diana DeMatei

*Dr. Carmela Cipollina and husband Robert Greenhalgh returned from Italy in time for the dinner.*

Ana Nadimi and her husband David Meares graciously hosted a delicious Persian dinner in their beautiful home on November 4th. The event was a fundraiser for SITM and was attended by twenty-six Soroptimists and Soroptimisters. We were especially happy to welcome two new Soroptimists, Kaylyn's husband Jared (whom we had met at the Tea) and Heather's husband Steve, as well as Carmella's son Frank and Patty Downs' sister Tammy. We also celebrated Dot's birthday and Dan and Kay Dunham's 45th wedding anniversary that were both on November 4th.

*Jared Harper and Kaylyn-Dazey-Harper with President Kay Dunham enjoying the evening.*

*More food than the crowd could finish.*

Soroptimister Jeff DeMatei served as bartender and greeted the arrivals with a glass of wine. Ana provided an overview and description of all of the dishes and happily answered many questions about Persian cooking. Our delicious menu included lentil salad, kashk bademjoon (eggplant dish) and Borani (yogurt and spinach) for appetizers. The array of main dishes consisted of white rice with crushed walnut and pomegranate molasses stew (fesenjoon), lamb chops, Persian style barbecue chicken, and dill rice and salmon, with Persian ice cream and apple blossoms for dessert.

Ana shared that it took her 14-15 hours of preparation on Friday and Saturday, and an additional 7-8 hours for hosting and cleanup. The proceeds were \$1120 with no expenses as Ana donated the entire meal and Jeff DeMatei donated the wine.

We send a HUGE thank you to Ana and David for their generous donation to SITM. Everyone had such a wonderful time relaxing and visiting all evening and we all look forward to the next Persian dinner. I bet you'll need to get your reservations in early as it is sure to fill up again next time. Ana and David suggested the spring or summer when we could also enjoy their beautiful yard so stay tuned for announcements.

*Ana Nadimi helped Dot Watts celebrate her birthday at the dinner. Dan and Kay Dunham celebrated their 45<sup>th</sup> anniversary. In the background is Carmela Cipollina.*

*SITM members attending Ana's Persian Dinner.*

## Paving the Way for Women in STEM Careers

When you're a girl in high school who enjoys and excels in math and science, what are your college choices? More than 30 years ago, engineering was the choice for Karen Purcell, P.E. It had to be lonely at times being the only female in the firm, or the only female in professional engineering groups.

After a half-dozen years of working in Washington, D.C. Karen applied for and landed an engineering

*Karen Purcell, center, and Jules Ackerson, from PK Electrical, Inc. with President Kay Dunham.*

position in Las Vegas. In 1996 her then boss asked her about opening an electrical engineering office in Reno. She agreed, but not to work for him and his firm. That began a partnership that led her to be the founder and principal for PK Electrical, Inc., a top electrical engineering firm now with offices in Reno and Denver, Colorado.

As our November 2 speaker, sponsored by the STEAM Committee, Karen stressed the importance of early STEM education to get girls interested in engineering, science, technology and math. Inspiring young women to choose STEM careers would help level the playing field for women in what has traditionally been a male profession. Family support and mentorship was most important for young professionals to launch and sustain their careers.

There were many "lessons learned" as Karen referred to them, on her journey. She has written a book about it, "Unlocking Your Brilliance: Smart Strategies for Women to Thrive in Science, Technology Engineering and Math". She said she is planning a second book, this one aimed at younger girls. Karen said that she was impressed with our STEAM program at Hunter Lake Elementary because exposing girls to STEAM at an early age would inspire them to seek out like education and careers in the future

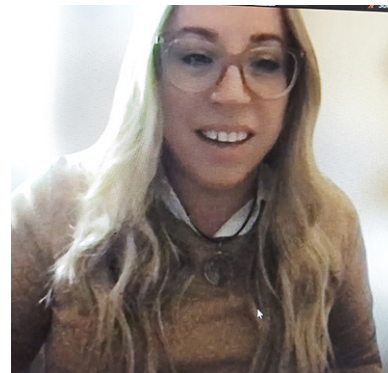

## Combating Human Trafficking with Education and Empowerment

3 Strands Global Foundation (3SGF) is an international anti-human trafficking group, based in California, serving El Dorado, Sacramento, Yolo and Placer Counties. Kristi Merrill, a Survivor Leadership Advocate for 3SGF was our October 19 speaker sponsored by the International Connection Committee, joining us via Zoom. Kristi spoke at the Stop Trafficking Workshop at SNR's Soroptimist Development Retreat in August.

Kristi explained the work of 3SGF is based on education, engagement, employment and empowerment in helping trafficking victims reclaim and rebuild their lives. They work on a matrix to move clients along steps from crisis, to vulnerable, to stable, to building community and finally thriving.

A big part of Kristi's job is education and facilitating support for those at risk for sexual exploitation, working

in residential group homes for commercially sexually exploited children and providing advocacy and wrap-around services for youth who are at high risk for experiencing exploitation.

*Kristi Merrill*

## November Board and Business Recap

by Faye I. Andersen

At the November Business Meeting SITM celebrated the induction of new member Heather Altman, approved several motions and promoted several small fundraisers.

### Welcome Heather Altman

A big Soroptimist welcome to Heather Altman, who was inducted at the November Business Meeting, by Membership Co-Coordinator Doris Phelps. Heather is the Office Manager for Edward Jones Investments (Mae Anne Office). She was sponsored by Bev Perkins. We're glad you have joined us, Heather.

### Money Moves to Short-Term CDs

The Finance and Governance Committee proposed a motion that was recommended by the SITM Board to open a 3-month CD with First Independent Bank at the published introductory rate using non-committed service fund monies, not to exceed \$50,000. The purpose is to earn interest on money currently held at the bank in low or no interest accounts. The motion was approved by the membership.

### Donating/Purchasing Holiday Goodies Next Month

A motion to conduct the Fundraising Committee's popular annual Holiday Bake Sale by having members voluntarily participate in donating and purchasing Holiday Goodies at the December 21 meeting to raise money for SITM projects, was approved by the membership.

### Hosting Director Holly's Last District Meeting

It's been several years since SITM volunteered to host one of the semi-annual District 5 Meetings. District 5 Director Holly Nash proposed that SITM Host the Winter Meeting allowing for both an in-person and zoom attendance on either February 3 or 10, 2024. Membership approved the motion. Volunteers are being sought to form a special committee to assist Director Holly preparing and hosting the meeting. The motion was approved by the membership. If you are interested in volunteering, contact President Kay.

### SITM's Tax Return Filed

Thank you to member Bev Perkins, CPA, for once again completing and filing the club's tax return. (Yes, even though we are a registered nonprofit, we must file an annual tax return.) This past year was a little different due to the amount of money raised for construction of the new girls' dormitory in Nepal and Bev donated a great number of extra hours to complete the work. Bev

has taken on this task for many years and we are very grateful.

### Happy Dollars and Other Monetary Matters

Happy Dollars for the month of October totaled \$324 and are designated for a scholarship in the name of Dee Ann Roberts, daughter of Jo Ann Roberts, for a deserving education major.

Reported with the November Treasurers Reports was the results of fundraising for the September 30 High Tea, with a net of \$18,706. Ana Nadimi's Persian Dinner hosted at her home netted \$1,120 for the club, with Ana and others underwriting all of the expenses.

### Happy Birthday Soroptimists

Celebrating their November birthdays were Dot Watts (November 4) and Carol Dinneen (November 17). Also celebrating November birthdays were:

Vicki Schultz  
November 5

Jaci Jones  
November 27

SOROPTIMIST®

Investing in Dreams

## Did you know . . .

**Thank You from 2023-2024 SIA President Bobbi Enderlin**

*The following message is from a video posted on the Soroptimist Development Dispatch, November 2023.*

Dear Soroptimists:

On behalf of the SIA Board of Directors I want to thank you, thank each member personally, club and region who contributed to the Dream Big Campaign over the last few years.

Over 5,000 donors have contributed over \$4.5 million to help us reach our Big Goal of investing in the dreams of a half million women and girls through access to education. That's so exciting. These gifts have already been put to work expanding delivering and sustaining our Dream Programs and supporting our members and clubs in their work to, increase our impact.

Because of you, we are going into our third year of our Big Goal mission to implement a new database, grow our partnerships and increase the number of Live Your Dream Awards and Soroptimist Club Grants and much more. I want you to know that I appreciate you and all you do for our organization. Together we are making a difference and I look forward to partnering with all of our members in celebrating our successes this year.

My dream is that women have a seat at any table where decisions are being made. I hope you are out there sharing the joy of Soroptimist

President Bobbi Enderlin
